**People Say.**  
 BENNINGTON, VT., Aug. 2, 1895.  
 We are pleased to say that the Home  
 Comfort suits us in every particular.  
 The agent was a good talker who sold it  
 to us, but he couldn't talk good enough  
 to tell the merits of the range. It is a  
 small fuel consumer. We can do a bak-  
 ing with one stick of hard wood, and it  
 is the most even baker we ever used.  
 MR. AND MRS. C. I. MORSE.

SOUTH BLOOMFIELD, N. Y., Aug. 3.  
 Having used the Home Comfort Range  
 for two years, I can most heartily re-  
 commend it to any of my friends as being  
 the best range known, I believe; a per-  
 fect baker; and not consuming one-half  
 the fuel my old stove did.  
 Very truly yours,  
 MRS. H. M. FERRIS.

BENNINGTON, VT., Aug. 2, 1895.  
 We purchased one of the Home Com-  
 fort Ranges, July 4, and we are pleased  
 to say that it is everything the name im-  
 plies, "Home Comfort." It is an ele-  
 gant baker, small fuel consumer and a  
 first-class heater, and suits in every way.  
 MR. AND MRS. L. G. EVANS.
